Interning at NUST in summer 2018 was one of the most enriching learning experiences of my life. The emphasis that they put on performance and outcome motivated me to master my skill set to the best of my capabilities. Thank you NUST & NUST Placement Office!

Patricia Maric
Croatia
NIPIS 18 Intern

I visited Pakistan in June 2018 in the capacity of NIPIS intern. The programme was extremely organised, having a number of industry as well as leisure trips, along with focused research work. The overall learning experience was really good. Thank you NUST!
