The NUST Olympiad is an annual event held at the National University of Sciences and Technology, which has always had a strong vision of what it aims to achieve. Students from schools, colleges and universities all across Pakistan have come together, to take part in NUST Olympiad 2016, celebrating the Silver Jubilee of NUST.

NUST Olympiad caters to the adventurous souls, those who express their creativity through skills in arts or cooking and those who wish to display their prowess on gaming consoles. It also brings an opportunity for the best of sportsmen on the field or in the court. There are events for those who can win the heart of an audience with their strong oratory skills, or those who strategize well in their heads. Moreover, there are events which will suit those who want to test their analytical skills, or those who want to find their inner performer on stage. In short, with our 28+ events, we hope to welcome anyone and everyone who is looking to polish their skills, discover their talents, make new friends and win prizes along the way!

Six Places to Look Out for in NUST

Faculty lounge

Where we think the master minds combine to plan 4 years of educational wonders, or do they?

01

02

U-lounge

A perfect spot for chilling out with the 'you's' in life and upload foodstagram.

C3: Our Mini Monal

Tired from the hustle of C1 and C2? Enjoy the fresh air minus the climb to Monal.

03

04

Gym

Fitness bodies along with minds matters and NUST gym is stalked up with equipment to assist students achieve that aim.

NUST Lake

On a bleak night, the pavement on the road connecting SMME to faculty apartments is probably the best spot to sit and revel in the serenity in the air. But our advice: put on plenty of Mospel before you go.

05

HQ

The majestic headquarters, and by majestic we literally mean the building is so huge you can see it from anywhere while roaming around campus. The dome of the building symbolizes ancient Islamic architecture and looks pretty cool too.

EVENTS OF DAY 1

VOLLEYBALL

Volleyball is one of the most popular sports in the world, famous among both men and women. It has been an official part of the Summer Olympics since 1964. In Pakistan, it is played everywhere from the fields of villages to wooden courts in the cities. Here at NUST, Volleyball is extremely popular and is played in different schools and there are many different courts. If you think that you have what it takes to challenge different teams from all over Pakistan then join us and take home the winning prize of Rs. 15,000 and Rs. 7000 for the runner ups. Sign up for the NUST Olympiad '16, the biggest event of NUST!

CASE STUDY COMPETITION

A round up of the most intelligent Olympians teaming up together to find solutions and facing pressing questions which demand answers!

In this competition, participants will be given situations which are dotted with different challenges, all of which need to be addressed. A case shall be put forth, and an intensive study shall be carried out by the teams. The participants will put their thinking caps on and analyse situations thoroughly, after which they will sit down and brainstorm effective written drafts which highlight how they intend to solve their assigned case problems. The report will then be presented by everyone on the case, to the jury, who will decide who came up with the most effective plan to curb problems posed by the case. So, join us from 4pm to 6:30pm at the IAEC Seminar Hall and see our brilliant minds think on their cases. See you there!

FOOTYMANIA

Football is the most watched and played sports in the world. Football has become increasingly common in Pakistan over the past few years and a lot of talented players have risen to prove themselves on a big stage. NUST Olympiad '16 gives you an opportunity to step up and prove yourself in Footymania! A futsal tournament which brings together different teams from different institutions on a grander stage. The winner will bag home a Rs 20,000 cash prize and the runner up will receive a cash prize of Rs10,000. If you think you have what it takes then sign up and join the biggest event of NUST!

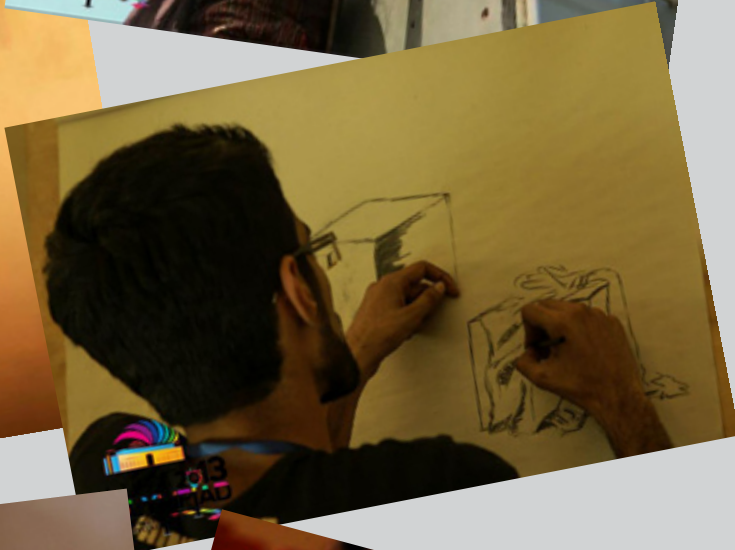

GALAXY QUEST

Have you ever dreamt of being in outer space? Doesn't it sound so much more invigorating than plain old, insipid Earth? Well fellow Earthlings, look no further! The Olympian spaceship is about to be launched in the outer galaxy, and trust us when we say, it is going to be absolutely thrilling!

'Galaxy Quest' is a strategic game in which all participants will be landing on an outer planet and navigate through it for their means of survival. They need to come with solutions for dealing with the terrain, colonising the area, looking after food and health facilities, in addition to proper disposal. So are you ready to be flown away to a world far, far away? (Yes, we are too!) Let's embark on this journey together! Join us at the NIT Seminar Hall from 4 to 6:30 pm, you will not regret it!
