Islamic Studies

Course Code	Credit Hours
HU-101	2-0

Course Description

This course provides an in-depth understanding of Holy Quran and the important aspects of our Religion to young generation. It prepares learners for the real world; it promotes the development of moral, ethical and spiritual values. It further helps the learners develop a sense of tolerance and human fellowship. It motivates learners to develop an enquiring and critical approach to the study of fundamental questions of religious practices, beliefs, morality and interpretations, and to explore such issues within the context of an Islamic tradition.
