

## Course: ENG-211, Expository English

Credit 3

Level: 3<sup>rd</sup> Semester

### Course Introduction:

In the "Expository English" course, students will first focus on comprehending proper writing conventions and grammar to effectively craft clear and concise expository essays, demonstrating a keen understanding of these fundamentals. They will also delve into research methods to locate and seamlessly integrate credible sources into their writing, showcasing their adeptness at sourcing and incorporating reliable information. Additionally, students will apply their critical thinking skills to analyze and evaluate both sources and arguments, emphasizing their ability to think critically and assess information. Moreover, the course will guide students in analyzing the rhetorical situation and employing effective writing strategies and techniques to persuasively convey their ideas to readers, highlighting their capacity to analyze and adapt to specific writing contexts.
